

Number of Tests per Chapter in the JEE Main 2023 Chapterwise Test Series

Chapters in Physics	Total Tests	Chapters in Chemistry	Total Tests	Chapters in Math	Total Tests
Units and Dimensions	4	Some Basic Concepts of Chemistry	4	Basic of Mathematics	4
Motion In One Dimension	5	Structure of Atom	5	Quadratic Equation	5
Motion In Two Dimensions	5	Classification of Elements and Periodicity in Properties	5	Complex Number	5
Laws of Motion	5	Chemical Bonding and Molecular Structure	5	Permutation Combination	7
Work Power Energy	5	States of Matter	5	Sequences and Series	6
Center of Mass Momentum and Collision	4	Thermodynamics (C)	6	Binomial Theorem	5
Rotational Motion	5	Chemical Equilibrium	4	Trigonometric Ratios & Identities	5
Gravitation	5	Ionic Equilibrium	5	Trigonometric Equations	4
Mechanical Properties of Solids	4	Redox Reactions	4	Straight Lines	6
Mechanical Properties of Fluids	5	Hydrogen	4	Circle	5
Thermal Properties of Matter	5	s Block Elements	3	Parabola	5
Thermodynamics	5	p Block Elements (Group 13 & 14)	5	Ellipse	4
Kinetic Theory of Gases	5	General Organic Chemistry	6	Hyperbola	4
Oscillations	5	Hydrocarbons	7	Limits	4
Waves and Sound	5	Environmental Chemistry	4	Functions	6
Electrostatics	6	Solid State	5	Continuity and Differentiability	5
Capacitance	4	Solutions	5	Differentiation	4
Current Electricity	7	Electrochemistry	5	Application of Derivatives	6
Magnetic Properties of Matter	5	Chemical Kinetics	6	Indefinite Integration	5
Magnetic Effects of Current	6	Surface Chemistry	4	Definite Integration	5
Electromagnetic Induction	6	General Principles and Processes of Isolation of Metals	5	Area Under Curves	4
Alternating Current	6	p Block Elements (Group 15, 16, 17 & 18)	7	Differential Equations	6
Electromagnetic Waves	4	d and f Block Elements	5	Vector Algebra	5
Ray Optics	7	Coordination Compounds	5	Three Dimensional Geometry	6
Wave Optics	6	Haloalkanes and Haloarenes	4	Probability	6
Dual Nature of Matter	4	Alcohols Phenols and Ethers	6	Matrices	5
Atomic Physics	4	Aldehydes and Ketones	5	Determinants	5
Nuclear Physics	5	Carboxylic Acid Derivatives	4	Inverse Trigonometric Functions	5
Semiconductors	6	Amines	5	Sets and Relations	4
Communication System	4	Biomolecules	5	Mathematical Reasoning	4
Mathematics in Physics	4	Polymers	3	Heights and Distances	3
		Chemistry in Everyday Life	4	Statistics	4
		Practical Chemistry	3		
Total	156		158		157
